This methodology has been developed as interim guidance for prioritizing clients and referring them to the Anderson Hotel project in partnership with SLO CoC, HASLO, and CAPSLO CES.

This project is considered a Permanent Supportive Housing (PSH) housing resource in the SLO CoC CES and will receive referrals as outlined in the SLO CoC CES Policies.

As of October 25, 2024, all partners agree to the following guidance.

- Anderson Hotel eligibility thresholds
  - Housing needs assessment (Vi-SPDAT version 3 and TAY Vi-SPDAT) of 8+
  - Total household income at or below 40% or 30% AMI.
  - Households no larger than two for studio units and no larger than three persons for one-bedroom units
  - Documented Certification of Homelessness
  - 50 Minimum Income

This guidance is subject to change upon the agreement of a proposed solution that would ensure the fulfillment of the project requirements.
